#### Question

Details of public consultation in relation to proposed Police and Fire Service merger

#### Answer

The Safest Place in England Consultation survey collected responses from over 2000 people across Northamptonshire using a wide variety of consultation methods. When people were asked how we could reduce wastage or make savings, 38% of respondents suggested working more closely with other organisations such as the Fire and Rescue Service, details can be found at:

In addition to this, consultation has also been carried out with regard to the Northamptonshire Fire and Rescue Service Integrated Risk Management Plan 2013–2017 Update and Review for 2014, details of which can be found at:
