

DECISION RECORD

Decision Record Number 23

This document records a decision taken by the Police, Fire and Crime Commissioner, together with details of the advice he received prior to taking the decision.

Decision taken

To agree purchase the current leased vehicles for an estimated £83,000 at the end of their contract term and extend their useful life and enable consideration of where these could be used to replace white fleet vehicles due for replacement. Whilst there will be additional maintenance costs per annum, these will be absorbed within existing workshop costs where possible, with only additional costs for parts which will be met from within existing budget provision.

Details of advice taken

Professional operational, financial and legal advice has been sought to ensure the decision best supports frontline operational needs and represents value for money.

Stephen Mold
Police, Fire and Crime Commissioner
