

DECISION RECORD

NFRS Decision Record Number: 47

This document records a decision taken by the Police, Fire and Crime Commissioner, together with details of the advice he received prior to taking the decision.

Decision taken

The PFCC has agreed a contract variation as the increase of contract value for the final year of NFRS insurance is above 5% at just over a 10% increase and will see the premium move from £287,320.99 in 2019, £284,915.40 in 2020, to £314,671.34.

In addition, the original contract was let by LGSS through the brokers Gallagher. They utilized a framework that had 11 lots. 1-10 being separate lots that could be allocated for 3 years. Lot 11 was a combined lot and if used could only run for one year (and excluded Lot 2 - Terrorism). Gallaghers/LGSS used Lot 11 but put the contract in place for 3 years. So this decision will to approve/ratify Yrs 2 & 3 of the contract as the framework did not allow for a 3 yr contract on lot 11.

Details of advice taken

Professional financial and legal advice has been sought to ensure the decision best supports business need and represents value for money.
