

Safer Streets Successes

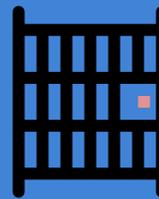

The Northamptonshire Office of the Police, Fire and Crime Commissioner secured £1.45m from the Home Office Safer Streets Fund to make parts of Northamptonshire safer for local people.

In just 7 months, the OPFCC have completed the following installations across Kettering, Northampton & Wellingborough:

60 New Council monitored high definition CCTV cameras installed

94 Alley gates, protecting residents from burglary, robbery, anti-social behaviour, fly tipping & rubbish

350 Front/back doors replaced

50 Utility cupboards changed

30 Cycle security pods installed

65 Ring doorbells installed

20 Tonnes of litter removed from alleyways

2,000 Homes received over £100 worth of free home security per household

7 Park Mark accreditations & subsequent remedial works

5,000 Homes received free crime prevention literature & goodies

£20,000 worth of security products handed to the police force to promote bike safety/security

300 Home fire safety checks
