

## DECISION RECORD

### **NFRS Decision Record Number: 67**

This document records a decision taken by the Police, Fire and Crime Commissioner, together with details of the advice he received prior to taking the decision.

### **Decision taken**

The Police, Fire and Crime Commissioner has taken the decision to:

To put a call off contract in place with Ensafe up to a max spend of £100,000 to cover all aspects of work for asbestos removal across the whole NFRS estate. Estates will still complete a SOR for each individual activity to be approved for that work stream. Ensafe Consultancy will provide advice to what works needs doing and how, tender the work to approved asbestos removal orgs (demonstrating best value), and ensure the work when completed is legally compliant.

### **Details of advice taken**

Professional financial and legal advice has been sought to ensure the decision best supports business need and represents value for money.
